

# ForthSF Newsletters

In.pdf format

Click to download individually  
or select the [Archive .zip file](#).

## [1. The very first newsletter.](#)

*The second newsletter was produced in a format where you read from the front half way through and then turned over and read again from the back. The 'Original' version has the rear section in place, upside down, as it was originally printed. The 'Reversed' version contains only the originally upside down section to save you turning your computer over.*

## [2. Original, complete, version.](#)

## [2. 'Reversed' rear section.](#)

## [3. Third newsletter](#)

## [4. Fourth newsletter.](#)

## [5. Fifth newsletter.](#)
